## **SHOW PROFITS**

We do get asked whether profits from the show are donated anywhere in particular. The Village Show is run for the benefit of the village as a community event. The show has costs in terms of printing the programme, judge fees and costs associated with the cream teas and other ancillaries. Any profit made is normally modest after costs and we try to keep costs down and provide more elements free to the community such as show category entries and entry into the show itself.
